DESCRIPTION

Our Double Ring Flush Mount with Motion Sensor has a modern, multipurpose design and a stylish look with efficient lighting. The built-in bi-level microwave motion sensor will turn off the fixture automatically when no motion is detected. This luminaire also includes a color adjustable option, with a brushed nickel finish.

INTENDED USE

Our Double Ring Flush Mount Luminaire is bright, yet smooth lighting for your family room, bedroom, hallway, corridor, or any other common area in your living space. It can be used as an additional light to an already existing ceiling light as well.
