## FEATURES

### DESCRIPTION

Our Cylinder Vanity Wall Light creates a unique lighting effect for any outdoor environment. The die cast aluminum design helps the fixture last longer, even in extreme weather conditions. This product is also suitable for wet locations.

### INTENDED USE

Our Vanity Series is ideal for commercial spaces. This luminaire is most popular in offices, warehouses, public areas, and other commercial areas.

### CONSTRUCTION

Die-casting aluminum metal housing. Heavy duty metal frame, LED array, heat sink, reflector, lens and gasket.

### FINISH

Black or white finish. Coated in an environmentally safe polyester coating

### OPTICS

High quality lens.

### ELECTRICAL

Class 2, constant current, 120V-277V, 50-60 HZ, 0.95Amp@100V.

### LISTINGS

ETL certified. 5 year warranty. Energy Star listed. Suitable for wet locations
