FEATURES

DESCRIPTION

The Vanity Sconce Luminaire offers a modern and streamlined look for your living space. It's designed to be mounted horizontally or vertically for easy installation. With the power coated painted die-formed cold-rolled steel frame and high transmission white acrylic lens. This energy efficient product will illuminate your home for a very long period.

INTENDED USE

Our Hospitality Series is the perfect product to illuminate residential areas, hospitals, hotels, bathrooms, hallways, closets, and many more applications.

CONSTRUCTION

Unit includes steel frame, LED array, heat sink, lens, foam gasket, baffle trim ring, safety cable with hook and junction box. High transmission white acrylic lens with satin nickel trim. Efficiency LED array, and diffuse for uniform illumination.

FINISH

Die-formed cold-rolled steel with powder coated paint.

ELECTRICAL

Class 2, constant current, 120V-277V, 50-60 HZ, 0.95Amp@100V. Triac dimming.

LISTINGS

ETL certified. Energy Star listed. Suitable for wet locations. 5 Year Warranty.
